

General Facilitator

Clothing and Textile Industry Facilitator

Location: KZN & Cape Town

Company Description

Thandeka Vocational Education Trust (Pty) Ltd (Thandeka) is an accredited Skills Development Provider focused on driving change through impactful skills development interventions such as learnerships, skills programs, and customized short courses.

Role Description

Thandeka is seeking an experienced and passionate Clothing and Textile Industry Facilitator to join our team in KZN and Cape Town. The ideal candidate will have a strong background in the clothing and textile industry, along with facilitation skills to deliver high-quality training. This role involves both practical and theoretical training, supporting learners to develop essential industry skills, and ensuring all administrative tasks are completed accurately and efficiently.

Key Responsibilities

- Deliver practical and theoretical training in various aspects of the clothing and textile industry.
- Support and guide learners to ensure they develop the necessary skills and knowledge to succeed in the industry.
- Maintain accurate records of learner progress and manage assessment uploads on the Learning Management System (LMS).
- Foster learner engagement, creating a motivating and interactive learning environment.
- Ensure the delivery of comprehensive training covering a range of topics within the clothing and textile sector.

Qualifications & Requirements

- Relevant qualifications in the clothing and textile industry.
- Minimum of 5 years' experience in the clothing and textile sector.
- Facilitation experience, with a proven track record of delivering effective training programs.
- Strong knowledge of industry standards and best practices.
- Computer literacy for managing assessments and LMS uploads.
- Excellent communication and interpersonal skills.

Industry

- Technical and Vocational Training

How to Apply

Interested candidates can apply by submitting their CV to hr@thandeka.org.za
